

## IN MEMORIAM.

(Written for the Ocala Banner.)  
Now let the nations hush a while  
Their warning clamor,  
Let cherry songs be hushed,  
And all unsung,  
For we through gathering gloom  
And tears of sorrow,  
Find harps upon the willow thickly hung.  
A low and noble life from us is given  
And on its heavenly journey sped its flight,  
Aye, too soon that bark was homeward driven,  
And all too soon has come our sorrowing night.  
—MRS. LOTTIE BURLINGAME.

There is a general regret expressed here over Sir Thomas Lipton's continued defeat. The jolly Irishman has made nothing but friends in this locality.

The acts of the Florida legislature for 1901 have been received by Mr. S. T. Sistrunk, clerk of the circuit court, and he requests justices of the peace will please call and get their copies.

All the officers under Schley who have testified, as well as the newspaper correspondents, say they could have done it better than Schley, yet even as Schley did it it was the greatest naval victory in history—not a boat escaped.

The south may be without its anarchists but is not without its growing crop of cranks. For instance the editor of the Portsmouth (Va.) Star actually puts it in his paper that the Florida legislature planted great big seeds of anarchy broadcast when it passed the incurable insanity divorce bill. The crank—what shall we do with him?

Captain Evans said to himself: "Captain Philip will look after the Texas." Commodore Schley said to his subordinate: "Let the Texas look out for herself." Now if either expression be unkind or inconsiderate both must be so. Shall Evans be censured as well as Schley? What expression could be more natural to any American under the circumstances?—Times-Union and Citizen.

I am satisfied that Teethina (Teethina Powders) have saved more children than all the doctors put together. I have recommended Teethina when the doctors gave up the child, and it cured at once. Louis F. Waibel, Ph. G., Druggist, St. Louis, Mo.

The Brooklyn Eagle thinks Minister Wu Ting Fang is right. It says: "There should be no bar to the admission of Chinese students into the country. We stand at the gate of Peking demanding that China shall civilize herself, yet when she picks the best of her youth and sends them to this land to learn civilization, we send them back, without even permitting them to land. There is a deal of humbug about this."

Backache should never be neglected. It means kidney disorder, which if allowed to run too long, may result in Bright's disease, diabetes or other serious and often fatal complaints. Foley's Kidney Cure makes the kidneys well. Anti-Monopoly Drug Store.

Means comfort, peace and health. The blood can't circulate through poor feet cramped and pinched into tight shoes or shoes of unnatural shape. The feet suffer from corns and bunions, and the sluggish circulation affects the entire health.
